CONTROLLING BODY: KSTP Management

<p>Policy Statement</p>	<p>The well-being of our athletes, volunteers, employees and spectators is a major consideration in every aspect of the operations of what we do at Kachan School of Tumbling & Performance. Every reasonable effort will be made to ensure a safe and healthy environment for all athletes, volunteers, employees and spectators. To demonstrate commitment to this policy, KSTP will place the safety and health of these parties foremost, ahead of property and equipment. KSTP will manage health and safety by:</p> <ul style="list-style-type: none"> • Controlling the health and safety risks at work • Involving employees on health and safety issues that affect them • Making sure that where employees work, and any equipment they use, is safe • Making sure that dangerous substances are stored and used safely • Making sure employees, especially new employees, have relevant information and training on health and safety • Making sure employees can do their jobs and are properly trained. • Trying to stop accidents and work-related health problems • Regularly checking that working conditions are safe and healthy • Regularly reviewing this policy and making changes if necessary
<p>Purpose</p>	<p>It is the responsibility of all athletes, volunteers, employees and contractors of KSTP to play their part in ensuring this policy is carried out. This not only applies to those people in positions that have responsibility for safeguarding the health and safety of athletes, volunteers, employees or spectators in their charge, but also to individuals to ensure they carry out their duties in a safe and healthy manner.</p>
<p>Policy Coverage</p>	<p>To enable KSTP and its athletes, volunteers, employees and spectators to comply with the Health and Safety Policy, KSTP undertakes to:</p> <ul style="list-style-type: none"> • Comply with all relevant Occupational Health and Safety legislation and codes of practice to provide a safe workplace • Commit the necessary funds to meet all legislative obligations, codes of practice and approved minimum standards

	<ul style="list-style-type: none"> • Provide the necessary training for volunteers and employees to perform their work in a safe and healthy manner • Encourage all work groups to take responsibility of workplace issues and in consultation, develop safe work systems • Utilise appropriate communication mechanism to raise awareness and promote Occupational Health and Safety matters
