

Welcome to KSTP

Kachan School of Tumbling & Performance (KSTP) provides a fun and safe environment for children of all ages and abilities. Operating since 2009, KSTP is a family run business with owners Dzmitry and Rebecca Kachan locals in the Hawkesbury.

Our team of experts are dedicated to the disciplines of Tumbling, Double Mini Tramp & Trampoline, and all coaches hold a current working with children check as well as their appropriate coaching accreditation through Gymnastics Australia.

At KSTP, our focus is on providing a quality experience for all members by nurturing each students strengths and instilling a sense of confidence and achievement. Our programs focus on effort and attitude rather than body image, which we believe is a healthy attitude for the development of your child no matter the program they participate in and is perfect for both boys and girls. We put as much emphasis on quality recreation programs as we do for our elite levels. All programs and plans are created under the guidance of our head coach, ensuring children at all levels continually learn and develop their skills.

Our head coach Dima is the NSW and Australian tumbling coach, developing National tumbling and trampoline competitors who have gone on to win many titles. Internationally we began competing at the World Age Group Competition since 2013, and Senior World Championships since 2019. Amongst numerous world medals and age champions, we had an athlete become the Senior World Tumbling Champion in 2022. In 2023 we had our biggest number of representatives on National teams. We brought home several world cup medals, the Dmt World Cup series winner, the U11 & U13 World Champions, plus the Junior Dmt World Champion. As a club we have won the GNSW Levels Coaching Team of the Year award for the past 7 years and in 2018, 2022 & 2023 we were the recipients of Gymnastics Australia's Trampoline Sports Coaching Team of the Year.

We look forward to welcoming you to our center and will be happy to discuss class options with you.

LaunchPad - A Time To Move

KSTP are pleased to be part of LaunchPad, an initiative of Gymnastics Australia.

LaunchPad programs have been expertly designed by Gymnastics Australia to cater for all stages of physical, social and cognitive development.

LaunchPad's programs rely on safe and enjoyable activities that challenge participants, relative to their developmental stage.

KSTP use the LaunchPad initiative for our GymFun and GymSkills programs. For further information on Launchpad follow the links on the Gymnastics NSW website.

Classes

GymFun 1 & 2 - Junior Recreation (GF 1- 5/6yrs, GF2- 6/7yrs)

GymFun is just that- FUN! If kids are enjoying what they're doing, they're more likely to want to do it again. In GymFun, we focus on fundamental movement patterns that help kids progress into more advanced skills or sports. The activities in GymFun are safe and engaging and encourage kids to work with others and build self-esteem. With two duration options, this is a great program to gain understanding about general gymnastics skills.

GymSkills - Intermediate Recreation (8-11 year old's)

As children develop more control of their bodies through fundamental movement, we can start to introduce activities more specific to certain sports, without being too serious or repetitive. Kids involved in GymSkills will improve their fitness while still having fun. The skills learnt are specifically related to trampoline and tumbling along with the safe practices of them. If a child thinks they want to move into a competition program we suggest doing 2 days of GymSkills as a transition.

GymSkills Advanced (8-12 year old's)

GymSkills Advanced will take what has already been learned in GymSkills and work in a more focussed program to improve technique and execution. This can become an important step in the pathway towards our Open Intermediate Levels program as it will adopt a competition class format. For those that don't wish to compete this class will allow them a chance to progress further in a program that will encourage all participants to improve.

Pre Teens & Open T&T - Tumbling & Trampoline (approx. 10-12 years & 13-15 year old's)

Our Pre Teens and Open Tumbling & Trampoline classes is a non competitive program designed for kids who love to jump, flip, twist and want to learn tricks and new skills. Participants will bring with them their tumbling based skills with the aim of improving on their technique and execution. These coach led programs will benefit from using our various tumbling floors and trampolines.
